Alice in Wonderland Maze Challenge

Can you help Alice find the teacups?

The image features a large circular maze on a teal and light blue checkered background. On the left side of the maze, a cartoon illustration of Alice stands with her hands clasped. The word "enter" is written in a small, black, sans-serif font just to the right of Alice. On the right side of the maze, there is a stack of three teacups on a saucer. The top cup is white with a blue rim and a yellow heart. The middle cup is white with a red heart and a yellow border. The bottom cup is white with a red floral pattern and a yellow border. The word "exit" is written in a small, black, sans-serif font just to the left of the teacups. The maze itself is a complex network of black lines forming a circular path that winds inward from the outer edge to a central circular area.
