HAPPY FATHER'S DAY!

A Special Bond

On Father's Day, we celebrate the special kind of bond that we have with an important person in our lives. A father's bond is sturdy, true, and deep, and it can come from anyone. We see it in our brothers, our uncles, our grandfathers and our teachers. Choose a special person in your life. Write their name in the centre of the coffee cup, then fill in the sections of the coffee cup with drawings and words that describe the bond you have with this person.
